Be a part of our show & community event

Kyron's Car Show is an annual event held the first Sunday in August.

Goal of the show: to bring everyone together for some good, old fashion fun while continuing to promote awareness for missing children and child safety.

100% of all fees/donations and show proceeds go to the Kyron Horman Foundation. The Kyron Horman Foundation is a 100% volunteer 501(c)(3) non-profit public charity with a mission to build awareness campaigns that help bring missing children home. The Foundation is also an active and recognized community resource for child safety.

Thank you for participating!!

Kaine Horman

Foundation CEO and Founder
